

Home Management Service Worth Writing Home About

By Darla Parris Smallwood

“There’s no place like home.” Dorothy was right. Unfortunately, taking good care of your home requires far more than a few clicks of your heels. Whether you’re a part-time resident who simply isn’t always around to attend to every detail, or a busy year-rounder looking for a way to stop sweating the small stuff and squeeze more enjoyment out of life here in paradise, Majestic Home Management Services is here for you. For more than 11 years, the fully licensed and insured home management company has been providing clients with the peace of mind that comes from knowing your home is properly secured, protected and maintained.

When you’re away, Majestic will become your eyes and ears, conducting weekly inspections of your home, and promptly addressing any issues to prevent or minimize potential damage. If you’re here full-time, Majestic can take care of the nagging home maintenance needs that can conflict with work and/or monopolize precious moments otherwise spent with family and friends. Their dedicated, detail-oriented team boasts more than 40 years of combined home management experience. They have the knowledge and expertise to provide a range of professional services, including the following:

- monitoring and maintenance of alarm, HVAC and other systems
- pool maintenance

- driveway and deck paver sealing
- landscape design and maintenance
- house, window and pressure cleaning
- pest control
- handyman services (including plumbing and electrical work, appliance repair, and roof leak repair)
- carpet cleaning and stretching

Majestic tailors all services to meet your individual needs; you decide whether you want them to take a few tasks off your plate, or tackle everything and treat you to a total turn-key experience. When you hire Majestic, rest assured that you’re dealing with a company owned by long-time local residents who know the surrounding Palm Beach Gardens communities well. Owners Steven and Denise Margolies maintain properties in their own Mirasol neighborhood, as well as homes in BallenIsles, Old Palm, PGA National, and other gated communities. “Our neighbors and clients are our friends, so we’re committed to taking care of your homes as if they were our own.”

Nope. Three clicks of your heels won’t get you stress-free, expert home maintenance. But one phone call will. *Contact Majestic today at 561.775.1839. They would love to talk about precisely what they can do for you to ensure that*

your home gets the care it needs, and you get the freedom and peace of mind you deserve. You can also visit Majestic Home Management Services at www.majestichomemgmt.com. ■
